Dear Sir/Madam

APPROVAL OF COLD STORES / AMBIENT STORAGE FACILITIES

I have pleasure in informing you that in accordance with the requirements of Act 9 of 1983 your ~~cold stores~~ cold stores/ambient facility: **HEPRO**

situated at: **6 FERRULE AVENUE, MONTAGUE GARDENS, CAPE TOWN**

has / have been approved for the pre-cooling and storage of perishable cargo destined for export.

The PPECB's official Registration Certificate, number **COLD1343**, is included (first time registration/certification) and you are requested to please display it in a prominent place at the entrance to the storage complex/facility. In the event that the complex/facility is already approved and undergoing the annual approval inspection, only updated stickers are provided. The PPECB Cold Room Certification Stickers for each approved individual cold room in your complex must be attached to or near the doors of each approved storage room.

The Registration Certificate will only be issued once, but the cold store/s or ambient store must be re-inspected annually during which time new approval stickers where applicable will be attached. The PPECB has the right to withdraw the certificate at any time if deemed necessary.

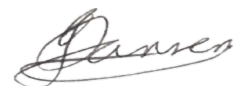

It is trusted that your Storage facility will always be maintained at the present standard. Should you at any time perform alterations or extensions to your present facilities, please inform the PPECB of such changes.

We look forward to a mutually cordial relationship.

Yours faithfully

PPECB Official **QUINTON JANSEN**
